WOOF STREETS

Unleash Your Gains

DATA IS IN

No Nonsense. Just Results.

We're Woof Streets, a Discord-based options trading community built for traders who want results, not noise.

We trade SPY live, every single market day, from open to close and our swing analysts deliver high-conviction plays across the market with precision and consistency.

We've been tracking performance since September 1, 2025, and what you'll see below is real data logged in by elite group of analysts.

See for yourself.
